01 TONIGHT

Tonight we will be continuing our series called "You Are Here". Harold will be speaking on the dangers ahead!

02 Special Night Oct. 30th

October 30th we are going to have an extended night at Takeover! We will meet at our normal time, but after the service we will be strolling through a haunted walk! Grab a friend and be ready to be scared!

03 SLT

Do you know anyone who is a natural leader? Someone that should be on Student Leadership but currently is not? Next week during small groups we will be asking you to nominate students that you believe we are missing from our Student Leadership

04 VOTW

We believe that **saved people serve people** here at New Hope and Takeover. We appreciate all of them, but every week we want to highlight one—Volunteer Of The Week. So this week- Harold Wells. Thanks, Harold!

05 Pray it up!

Prayer is one of the most powerful tools we have as followers of Jesus, but it is often underutilized.
This week let's be praying for the teachers and leaders of your school. We want them to be succesful and effective to help all of our students acheive their full potential!

06 MESSAGE NOTES

Message: You Are Here: Danger Ahead
Speaker(s): Harold Wells

James 4:7-8 New Living Translation (NLT)

We must humble ourselves to God

Because Jesus did it.

1 Peter 5:6-7 New Living Translation (NLT)

Philippians 2:8-11

The enemy we face is Satan.

The dangers that we face are temptation, pride, and fear of persecution.

Ways to defeat Satan and his dangers!

- Pray for yourself that you will use good wisdom.
- Show love and understanding.
- Have a definite concern and burden for those who don't know him because of their lost condition and their inability to understand.

1 Peter 5:8-9 New Living Translation (NLT)
