

Whether you are brand new to New Hope Church or you've been here for a long time, this is a place where you can meet people, get connected, and build authentic relationships with God and others. Check out the events in this program and on our website at newhope.org for a complete listing of the many different ways to get connected.

First time guest? We're so glad you're here! Stop by our Guest Services desk by the front doors. We'd love to meet you, answer your questions, give you a tour, and you can pick up your free gift with lots of information about what's going on at New Hope.

It's much easier to live and act right when we have good examples to follow. The Bible is full of stories of people who made the right choices in difficult and tempting times. Many of these role models seem larger than life. What if we told you that there are also stories of people very much like you and me, who used realistic faith in tough situations to find their way. This new series explores the lives of four men and women in the Bible who model for us what living with faith looks like in the real world.

2016 Bible Reading Plan - Part 1

Reading the Bible just 10 minutes a day can transform your life.

It'll bring encouragement, hope, guidance and practical advice for the every day issues we all face. The Bible is relevant to everyone, everywhere, at any time, just as it has been for thousands of years. That's why we put together this reading plan to assist you. The 2016 Bible Reading Plan is in full swing, but it's never too late for you to join us! The two best ways to follow along are with the free New Hope mobile app or at www.nhcbrp.com. Both include key weekly insights to help you take what you read a little deeper. For those that are not 'wired,' we also have a few paper copies available at Guest Services. HOLLAND CONNECT

Families and Individual s
Touched by Special Needs

Our families will eat together (no childcare), but we will have toys to occupy them. Please RSVP by email to Kim at kim.feld@newhope.org, so we can prepare enough food; let us know of any dietary restrictions. We're looking forward to meeting you!

No, we're not a tour group. We're the special needs children, students and adults of New Hope Church and their families. Many in the special needs world are aware of a story written nearly 30 years ago about travelers expecting a vacation in Italy who end up in Holland instead. It's an unexpected jolt, but not without its own beauty and quiet victories. We invite families touched by special needs to join us for lunch on **February 21st**, at 12:45 pm, in the Remix large group room.

Single Mom's Connect

Join us for our next Single Mom's Connect on Saturday, **February 20th**, immediately following the 5:30 pm service. We'll meet upstairs in the game room for a fun time of getting to know each other. Kids are always welcome. We are planning to have pizza, so please email us at singlemom@newhope.org!

March 5th NorthStar Women's Network Conference with author Angie Smith

Angie is a best-selling author, but at the heart of her ministry is her passion to make the Bible accessible and relevant as she shares her own ups and downs to encourage others in their faith.

We recently highlighted New Hope's mission opportunities in our *Road Trip* series. If God was tugging at your heart to explore a mission trip, please come to the interest meeting about the Uganda trip this summer (July 5-18th). The meeting will be held Sunday, February 14th, at 12:45 pm in the Remix Room. We would love for you to experience a mission outside your comfort zone and smack in the center of God's zone. Experience the pure joy and deep faith of the Ugandan people. Experience worship that moves you to tears. Experience love and laughter engulfed by children longing for affection. Experience the camaraderie of a team of Christ followers who are passionate about serving the poor. Experience a country so different than ours, and then...experience a shift in your perspective and heart towards the things that matter to God. Experience the heartbreak of extreme poverty, while you experience the privilege of making a difference. **Sign up today at bit.ly/uganda2016.**

VOLUNTEER OF THE WEEK

There's no way we could make New Hope happen each week without the help of all our amazing volunteers who step up to fill a wide variety of roles. This week we'd like to thank Jim Myers. He is a one of our rockstar volunteers who serves on more than one team. We realize that first impressions are everything, so it's important that we offer a warm welcome and friendly smile in all that we do. Jim represents New Hope well on both the Greeter/Usher Team and the Hospitality Team - the front lines of first impressions. Thanks for making us look so good, Jim. We appreciate you!

We really need your help, too! There are so many different ways that you can be a part of what's going on. We'll help you find just the right fit. If you're ready to jump in, please sent an email to carolann.gregoire@newhope.org.

TEAM 500

THE BATTLE TO FIGHT HUNGER

You've probably heard about 2016 Food Fight (2016foodfight.com) that's coming this May. New Hope Church is a lead church in this historic event, where we'll see nearly 30,000 volunteers come together to pack over 5,000,000 meals to feed over 14,000 children for a year! We are excited to see the 100,000 square foot packing floor at the Dulles Expo Center, with over 100 packing cells, filled with people making a difference in the lives of children all over the world! We have several ways you can help: 1) follow us on twitter (@2016foodfight) and like us on Facebook (2016foodfight). This will assure you have the latest event news and updates. 2) Spread the word to everyone you know. We will need 30,000 volunteers to pull this off. Send them to the event site at **2016foodfight.com**. Registration opens April 1st. 3) Prayerfully consider supporting the event financially. The meal cost alone is \$1,000,000 so we need everyone to participate. Remember, it is equal sacrifice, not equal giving. We have a great way for you or your family to get involved. It's called Team 500. The challenge is simple, yet so powerful. The idea is that you donate \$500 to the project. If just 2,000 people commit to raise \$500, we will have the \$1,000,000 needed to provide these meals. That's just a few dollars a week to provide 2,500 meals and feed seven kids for a year! **Go to bit.ly/team500 to check out the details online.** New gifting options added! Choose between number of gift installments or gift frequency!
