

Welcome to newhope CHURCH

Whether you are brand new to New Hope Church or you've been here for a long time, this is a place where you can meet people, get connected, and build authentic relationships with God and others. Check out the events in this program and on our website at www.newhope.org for a complete listing of the many different ways to get connected.

First time guest? We're so glad you're here! Stop by our Guest Services desk by the front doors. We'd love to meet you, answer your questions, give you a tour, plus you can pick up your free gift with lots of information about what's going on at New Hope.

Change is hard. It can make us feel so uncomfortable that we'd rather stay where we are than seek something better. When we choose comfort over positive change, we miss out on discovering our true potential and how God will provide for us. Stepping out of our comfort zone can be intimidating, but followers of Jesus are given all the resources we need to be difference-makers. In this series, we're exploring how embracing the uncomfortable allows us to experience the true comfort found in Jesus.

This is open to anyone who is in a relationship, in a helping role, or who wants help understanding their own story.

RAISE YOUR HAND IF YOU'RE READY TO ROCK A HAIRNET AND TURN HUNGER INTO HOPE!

We have great news for you! The registration for our November 17-19, 2017 Mobilepack with Feed My Starving Children is now open for New Hoppers at bit.ly/2017mobilepack. If you are on our email list, you should have received the link to register by email. Not on our list? Let us know on your communication card or by emailing info@newhope.org. We gave our in-house registration a week-long head start, but it will open to the public on Monday, October 30th. Please don't share the link with anyone outside of New Hope until then. You've worked so hard to help us fundraise for this and we want to make sure you get the spots you want! Don't forget there are no New Hope services that weekend!!

RETHINK POVERTY

A 24 HOUR EXPERIENCE DESIGNED TO
TRANSFORM OUR THOUGHTS ON HUNGER AND POVERTY

Students in 6th through 12th grade are invited to engage in a 24-hour poverty simulation at New Hope Church on Friday, November 17th at 6:30 pm and concludes on Saturday at 1:45 pm. You should start your fast before you arrive on Friday (at 12:30 pm, after lunch). You will grow closer to Christ and each other as you fast together for 24 hours. Challenges, compelling simulations, guest speakers, inspirational discussion ideas, service projects and the thought-provoking poverty simulation all add up to an unforgettable, no-eat overnighter. After lunch, we'll conclude the experience by joining together to pack meals at the FMSC MobilePack (see above) during the 2 pm packing session. Sign up now and change the way you see the world! If you can't make the entire time, sign up for a block that works for you! Students will have an opportunity to get pledges for every hour they fast, with a goal of collecting money for both local and international projects. Go to bit.ly/rethink-poverty to sign up!

FMSC Feed a Child For a Year or Buy a Box of Food

Please join us as we continue to bring hope to the poorest parts of the world through our work with Feed My Starving Children. Our goal for our November mobilepack is to provide 500,000+ meals. Please help us fund these meals and then join us as we provide hope with our own two hands!

\$80 will feed a child for an entire year.

As a special thank you for your gift of \$80, you'll receive (while supplies last) a special t-shirt made in Haiti that says, "Hope is an anchor". Not only are you providing meals, but also a means for income for the artisans in Haiti.

\$50 provides a box of food - 216 meals.

As a special gift for buying a box of food, you will receive a 2017 commemorative Buy a Box ornament, specifically designed for this year's Mobilepack by New Hope Church.

LIFEBOUND

Let's face it, adulting is hard. But it's way easier when you're part of a team figuring it out together! We have a group just for young adults looking to connect with other people in the same stage of life. Lifebound is for recent high school grads through the 20's, and meets on Wednesdays from 7-8:30 pm, up in the Game Room. Email lifebound@newhope.org. Or you can just show up!

TAKEOVER

Takeover is the New Hope Student Ministry for 6th -12th graders. It's a place for students to learn and grow in their relationship with Jesus in an environment that is fun, safe, accepting and promotes community. We meet on Sunday nights at 6 pm. We will have a service and then either break into small groups or do something fun with everyone. This week is the final message in our series called, *Stuck*. We'll finish strong with a Fall Bash and Dance Party! Doors open at 5:30. Bring friends!

Tuesday Nights at 7 pm

The Landing is a group for students in middle and high school to talk about the hurts, habits and hang-ups they face each day. It's the place to come when students feel like no one else can possibly understand what they are feeling or going through. The Landing is here to give them a safe place to be heard, and to learn new coping skills and find healing. Please contact info@thingscansuck.com for more information or go to www.thingscansuck.com.

CR is for people who are dealing with all sorts of life-dominating hurts, habits and hang-ups. If that's you, or someone you know, join us Fridays at 7 pm. Please email celebraterecovery@newhope.org for more information. Childcare is provided for kids from 12 months to 12 years old. Please stop by Guest Services and pick up our brochure, or better yet, you can find us online at cr.newhope.org.

VOLUNTEER OF THE WEEK

Our volunteers are the very best! There's no way we could keep New Hope running without the help of these special people. This week, we'd like to thank **Kim & Wayne Schatz**. Kim serves in the MarketPlace and on the HER Ministry team, and Wayne serves on the Greeter/Usher Team. We're so thankful for our families who serve. After all, this is OUR church and we're so much stronger when we all pitch in to make a difference in our community and world. Thanks for all you do, Kim and Wayne. We appreciate you!
