A Quiet Premier

Our world is loud. There is a constant barrage of screaming images telling us what to buy, how to look and who to be. We share every detail of our lives with countless people via social media. The bigger the subject matter, the more boisterous the message can be. And many times, the only thing louder than these messages is our reaction and response to them. It's a perpetual state of chaos. In a very different time, God responded to worldly turmoil by strategically revealing His plan to save us in the most surprising and effective way of all...quietly.

SERVICE TIMES

Celebrate Recovery is a Christ-centered, 12-step recovery program that helps us deal with life's hurts, habits and hang-ups. Join us Friday nights to celebrate God's healing power in our lives. We start at 7 pm with large group for an hour, and then break into open share groups. We end the evening with social time in the atrium. Childcare is provided for kids 2-10 years old.

Our weekend services meet on Saturdays at 5:30 pm, and Sundays at 9:00 and 11:00 am. All three services are identical in style and content. Unable to join us in person? Our weekend services are also streamed live online. You can find them at live.newhope.org. We offer kids' programs (birth through sixth grade) at all three services, as well.

Our Christmas Day & New Year's Eve/Day services will be **online only**. You can find us at : live.newhope.org.

We're so glad you chose to join us for our Christmas Eve service. We'd also love to invite you to join us as we kick off 2017 with this new series:

**YOUR
BUTTS
TOO BIG**

WHAT'S AVAILABLE FOR...

At New Hope, we place a huge value on kids, so our Kids' Time Ministry is a big priority to us. Plus, kids are awesome! We have provided a place for parents and volunteers to learn more about us, and find resources to help all of us maximize the positive impact we will have with our kids from birth thru sixth grade (including our kids with special needs). Find us at www.nhckidstime.com or on the **New Hope mobile app**.

TAKEOVER

Being a teenager in the 21st century is difficult, particularly in an area like Northern Virginia. You are pulled in every direction: from which high school you will attend, to what activities you'll be involved in, to what college will you go to, to what friends you will hang out with, and on and on it goes. You're figuring out who you are and you are making decisions that could potentially be life-altering. At New Hope, we exist to help students find their identity in Jesus Christ and their community with those who love Him. We believe this present generation of students has the potential to be used by God in a way that surpasses every other generation in history. Join us for our Takeover service on Sunday nights at 6 pm (doors open at 5:30).

lifebound

If you are a single adult who recently graduated from high school, ranging up through your 20's, we'd love to connect with you. We know how important it is to find the right group of friends. Our goal is to make a big church feel like home. We believe that real life change happens within the context of authentic community. We meet on Wednesdays from 7-8:30 pm at New Hope Church, where you'll find ways to connect with others in your life stage.

small groups

At New Hope, we define small groups as a caring network of relationships which allow seekers to investigate Christianity at their own pace, and equip believers to grow as followers of Christ. Small groups are very relational and heavy on application. We like to think of them as the place where the Bible and life intersect. It's also the best way to get connected at New Hope and grow in your faith at the same time. We'd love to help find a group that works for you. Email us at smallgroups@newhope.org.

We have other 'Connect Groups' available: Single Mom's, Adoption & Foster Care, Parents of Teens and Holland Connect (families with special needs children). Our Women's and Men's Ministries are busy planning new events, and our Sports Ministry is always looking for new teammates! You can find out much more, including our core values and mission statement, on the New Hope website at www.newhope.org.

WHAT ELSE?

With the end of one year and the start of another, we pause to give thanks for our blessings and the people in our lives. It's also a time when charitable giving often comes to mind. Your year-end giving will help New Hope and you! Your gift can help make up the deficit in our 2016 budget, plus your generosity is tax deductible. If you have any questions, please email us at finance@newhope.org. Here are a few things to remember:

- Your gift must be given/postmarked by Dec 31st for tax purposes.
- There are many types of gifts: stocks, bonds and other securities.
- You can drop your gift off during the week if you miss a weekend.
- You can also give online at www.newhope.org.

Where grace happens, generosity happens. -Max Lucado

DID YOU KNOW... that New Hope is home of The Silo Center, which hosts three thriving children's programs: Silo Center Preschool (SCP), The Back Pack (TBP) and Camp What a Kid (CWAK)? That's three different children's programs here in one convenient location!*

Our preschool has a dynamic staff that agrees with decades of research supporting preschoolers in learning through play.

CWAK is a high energy summer camp for school aged children. They learn valuable life skills and make great memories across eight weeks of an unforgettable summer.

TBP services six of our local elementary schools, providing transportation to and from school. We believe in giving school aged children a fantastic before and after school care program in a safe and fun environment.

*Programs subject to availability. Go to silocenter.com to learn more.
