01 TONIGHT

Tonight Brandon will be continuing our Game On series with focus. With so many distractions in life it can be hard to keep your focus, but stay distracted for too long, and you will realize focus is absolutely key

02 SYKOP

Last year was amazing, but this year will be even better! Join us for our second annual School Year Kick Off Party! Enjoy a three story waterslide, catered lunch, games galore, music, even free ice cream on September 18th from 2-5 pm! Don't forget to bring your friends!

03 Guatemala

Our Guatemala team left early yesterday morning. Please be praying for them to have a successful and safe trip as they accomplish God's work in the areas of most need! Follow their progress on our Facebook page as well!

04 VOTW

We believe that **saved people serve people** here at New Hope and Takeover. We appreciate all of them, but every week we want to highlight one—Volunteer Of The Week. So this week—Maurice Woods the Second! Thanks, Maurice!
