

EVERYDAY

HEROES

AND WHAT THEY CAN TEACH US

In recent years, the film industry has provided an endless array of movies telling stories of our favorite comic book heroes. While our TV sets seem stuck in a cycle of dark news, these films offer us the hope of good over evil; of the ordinary becoming extraordinary. We have a source of similar stories to draw from that offer more than a fictional escape. The Bible profiles people and experiences that can give us hope, plus a model to follow that brings great purpose to our ordinary lives.

FIRST TIME GUESTS

Simply fill out your communication card in the seat back in front of you and check the "First Time Guest" box. On your way out, stop by Guest Services at the front doors and get your FREE welcome gift. We're glad you are here!

When parents can bring to life at home the message their kids learned at church, we make a bigger impact on the future! Keep up to date with everything happening in Family Ministry this summer by joining our Parents of New Hope Facebook group and checking out the website based on the age of your child.
