The House

Have you ever wondered what role the church should play in your life? Or if God even cares whether or not you show up? Maybe you go to church out of a sense of obligation. Maybe your entire life revolves around the church. Or maybe you don't go to church at all. No matter how you view the church or what role it plays in your life, there is a power and a meaning that can only be realized when you treat God's house the way He intended.

# TOP FIVE THINGS TO KNOW...

If God is tugging at your heart to explore a mission, come to the interest meeting about the Uganda trip this summer (July 4-17). Join us Sunday, February 19th at 12:45 pm in the Game Room. We'll have lunch and share the details about this amazing opportunity. Please let us know on your comm card or email Jenny at [theherzogs1@verizon.net](mailto:theherzogs1@verizon.net).

HER Ministries is having a fundraiser! The Bryant Center is an alternative school that houses Project Opportunity, which helps teen parents complete their high school education. Purchase a HER Ministries t-shirt and help these teens finish school and provide for their children. Shirts are available to order this weekend only (ends 2/12), and cost \$20. Visit our table by the fireplace to order your shirt today! All proceeds go to The Bryant Center.

There is a new small group forming during the day on Thursdays for women with children at home! If that is something you're interested in, please let us know at [bit.ly/thursdaymoms](http://bit.ly/thursdaymoms). This might be the perfect time for you to connect with other women who are in the same stage of life as you. Children are welcome and childcare options will be decided as a group. One thing is for sure - life is so much easier when we walk through it together.

We're the special needs children, students and adults of New Hope Church and their families. We invite families touched by special needs to join us for lunch on **Sunday, February 19th** at 12:45 pm. We'll all eat together (no childcare, but we will have toys to occupy them). RSVP to [kim.feld@newhope.org](mailto:kim.feld@newhope.org), so we can prepare enough food; let us know of any dietary restrictions. We're looking forward to meeting you!

## CELEBRATE RECOVERY

Celebrate Recovery is for people who are dealing with all sorts of life-dominating hurts, habits and hang-ups. If that's you, or someone you know, please join us Friday evenings at 7 pm. For more information email [celebraterecovery@newhope.org](mailto:celebraterecovery@newhope.org). Childcare is provided for kids from 12 months to 12 years old. Please stop by Guest Services and pick up our brochure, or better yet, you can find us online at [cr.newhope.org](http://cr.newhope.org).

## lifebound

Lifebound is a group for young adults who are trying to navigate life, faith and how to move forward successfully into adulthood. It can be a stressful time, with a lot of big decisions, and we'd love to be there to help. If you're in your late teens through 20's, Lifebound will provide you with the necessary tools to walk through life with Christ in a challenging world, bridging the gap between High School and 'real life.' We meet on Wednesdays from 7 - 8:30 pm, up in the game room. For information, contact Tommy at [lifebound@newhope.org](mailto:lifebound@newhope.org).

# TAKEOVER

Wondering where our students are? Well, there's a service just for you! If you're in 7th-12th grade, join us on Sunday nights at 6 pm (doors open at 5:30). We have games, worship, teaching, small groups, service projects and more! Join us for a new series this week called, *Meh, Why Bother?* It's the perfect time to try out Takeover for the first time! And it's Free Pizza Sunday! Be here when the doors open at 5:30 and bring your friends!

## VOLUNTEER OF THE WEEK

Our volunteers are the very best! There's no way we could keep New Hope running without the help of these special people. This week, we'd like to thank Zack Burcher, who serves in SPIN. This is a ministry that is very near and dear to our hearts, because it's where we share Jesus with our special needs kids. It takes a very loving and patient person to serve in this role, and we can't say enough about teens like Zack who are not only willing to serve, but step out of their comfort zone to serve in such a special way. You're amazing, Zack!

You can get plugged in, too! There are so many different ways that you can be a part of what's going on at New Hope - from babies, to hospitality, to more technical positions and beyond. We'll help you find just the right fit. If you're ready to jump in, please send an email to [carolann.gregoire@newhope.org](mailto:carolann.gregoire@newhope.org).
