TWO THOUSAND SIXTEEN

Whether you are brand new to New Hope Church or you've been here for a long time, this is a place where you can meet people, get connected, and build authentic relationships with God and others. Check out the events in this program and on our website at newhope.org for a complete listing of the many different ways to get connected.

First time guest? We're so glad you're here! Stop by our Guest Services desk by the front doors. We'd love to meet you, answer your questions, give you a tour, and you can pick up your free gift with lots of information about what's going on at New Hope.

HEART

of a father

Our parents shape who we are more than any other influence in our early years, and beyond. While there are always exceptions to sweeping generalizations, there are definite traits that are more commonly associated with fathers versus mothers. In the best of circumstances, they combine to paint a more complete picture of love, guidance and provision for their children

New Hope Men's Service Connect

The New Hope Men's Ministry is starting something new in June, which will offer practical assistance to people in our church and community who are physically unable to perform important tasks around the home. We're looking for men at New Hope who are willing to give of their time and labor to help others. An informational meeting will be held on Saturday, June 25th at 9 am at New Hope. For more information or to RSVP for the meeting, please contact Men's Ministry at mensministry@newhope.org.

Have You Found Your Place?

We do a lot of things at New Hope, but one thing we *don't* do is sit by and watch things happen! Nope - we are a place of action. We're each created with unique gifts, and together we can have great impact on the world around us. None of that can happen if we're not making sure things are running smoothly at our home base. Every role at New Hope (from the Senior Pastor, to the Kid's Time volunteers, to the Parking Team and beyond) is crucial. Just like the gears below, if we're missing one part, no matter how small it may seem, the whole operation falls apart. If you're not already serving, we're asking you to prayerfully consider jumping in and joining us. There are a wide variety of teams to choose from - one will surely be just right for you. If you're already serving, we're asking that you prayerfully consider if you have any more time to give. This is our church, and God calls us all to action on His behalf. Nobody is unimportant, and nobody is just a spectator! Let's do this!

Summer is tough for all of our ministries, but here are some teams that are in desperate need of help:

Livestream Team: Our online services
Guest Services Team and Greeter/Usher Team
Parking Team and Security Team
Medical Team and Marketplace Team
Worship Ministry: Tech Team and Instrumentalists
Kid's Time: All areas
Takeover: All areas

Please email carolann.gregoire@newhope.org to get started!!

If you're already faithfully serving, and there are many of you, we want you to know how much we appreciate you!

2016 Bible Reading Plan - Part 3

All it takes is just 10 minutes a day...

The Bible can seem pretty intimidating if you've never read it—especially if you are reading an old translation with lots of “thee’s” and “thou’s.” We want to make it easy for you to get started and build a habit of spending time with God by reading His word every day so we've created a Bible reading plan. The plan is designed to walk you through the major stories of the Bible. Several times a week, members of Senior Staff write a commentary on the week's Bible reading to give you insights and food for thought.

You can't have a close relationship with someone you never talk to. It's impossible. God's word—the Bible—is the primary way He speaks to us. And it's the absolute best way to discover how to follow Jesus on a daily basis. If you want to know more about God and His promises, reading the Bible is your next step.

The two best ways to follow along are with the free New Hope mobile app or at www.nhcbrp.com. For those that are not 'wired,' we also have a few paper copies available at Guest Services.

DON'T FORGET YOUR DAD!

Father's Day is Sunday of this weekend! Why not give your dad a gift that truly keeps on giving? We have great items for sale in the marketplace, and when you purchase them, you also help feed starving children around the globe. Please stop by and consider shopping for all the dads in your life. They'll feel blessed, and so will you, knowing you've helped provide hope for kids living in pretty hopeless situations.

EASY WAYS TO FEED KIDS & SHOW LOVE!

VOLUNTEER OF THE WEEK

Our volunteers are the very best! There's no way we could keep New Hope running from week to week without the help of these special people. This week, we'd like to thank Nathan Liechty. He serves on the Worship Team playing bass, and the Tech Team running our stage lighting. It takes a special kind of volunteer to be willing to serve on more than one team - especially one who is willing to jump in wherever needed when we hit a snag. Thanks for all you do, Nathan. We really appreciate you!

There is a group of 16 people from New Hope going on a mission trip to Uganda, July 5th-17th. They will be visiting New Hope's sister church in Bunyinja, celebrating the graduation of the women in the Hope 4 Women program, serving FMSC meals to over 400 children, dedicating wells, visiting the hospital, conducting medical outreaches, and enjoying time with the children while there. In preparation for their trip, they are collecting toiletries (hotel-sized bars of soap, shampoo, toothbrushes), women's scarves, and they really need some gently-used men's ties. The men love receiving these as gifts so they can look "smart" when they go to church. We will be collecting these items at Guest Services over the next few weeks. Thanks everyone!
